

Celebrating National Doctors' Day

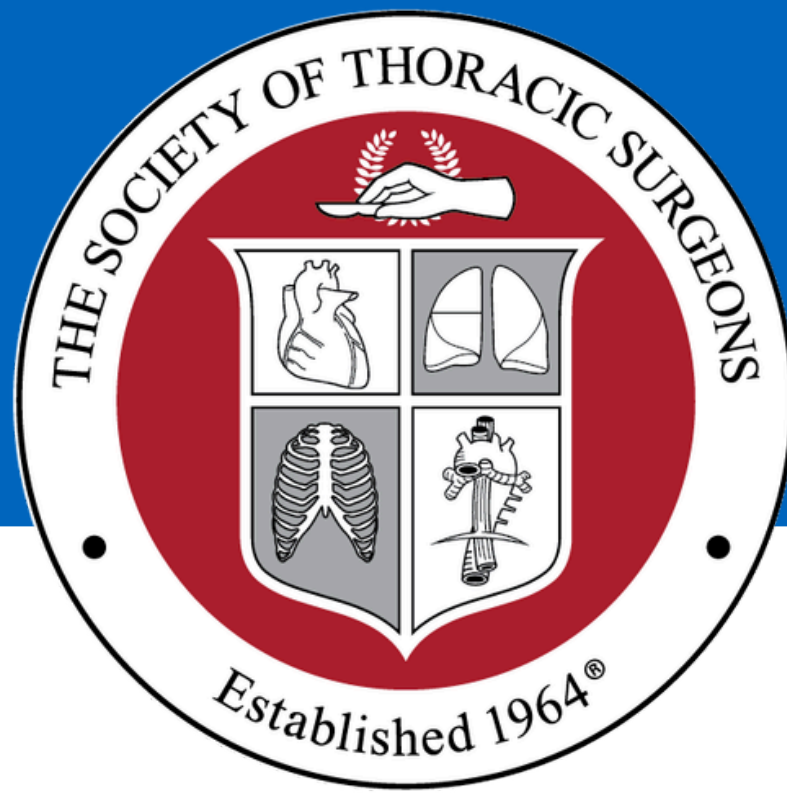

*Meet Our Cardiac
Surgery Team and
Their Achievements*

Kentucky's #1 Hospital for Heart Care

Ranked #1 in Kentucky by U.S. News & World Report, with “High Performing” ratings in 20 procedures and conditions, including heart bypass surgery and aortic valve surgery.

STS 3-Star Ratings for Surgical Excellence

Awarded the distinguished 3-star rating for both CABG and mitral valve surgery – achieved by fewer than 10% of programs nationwide.

Kentucky's #1 Hospital for Heart Care

1 of 25 hospitals nationwide
certified by The Joint
Commission and the American
Heart Association for
coordinated care of complex
heart conditions.

Top 5% Nationally for Lowest Bypass Surgery Mortality

CMS data places our program among the top hospitals in the U.S. for lowest 30-day mortality following CABG.

Host of the ECS Club Annual Meeting

Global cardiac surgeons convened at St. Elizabeth to advance minimally invasive cardiac surgery.

Beacon Award for Excellence

Our CVSICU nursing unit
recognized for excellence in
post-surgical care, safety and
outcomes.
